Suffolk County Legislature Presiding Officer William J. Lindsay greets the Connetquot Youth Association family at their Opening Day ceremony on Saturday, April 9.

The Connetquot Youth Association has over four hundred athletes registered for the baseball and softball programs this spring. The organization has made improvements to many of their fields and facilities in order to further accommodate for the players and their families.

"I want to wish everyone a wonderful season, and today was a perfect spring day for Opening Day, one of the best times of the year," said Presiding Officer Lindsay. "Thank you to all of the men and women responsible for maintaining the facilities and assuring that this program runs smoothly for our young athletes."
